SOLID SURFACES

A SET-SIZED SOLID SURFACING BASIN RANGE  
EXCLUSIVELY OFFERED BY SALVOCORP UAE

[www.salvocorp.ae](http://www.salvocorp.ae)

Premiere Largo

The Perago Range exemplifies the advantages of solid surfacing, providing a versatile material that enables a wide array of basin designs. Each piece demonstrates durability in its variety of shapes and sizes. Solid surfacing, known for its non-porous qualities, resists stains effortlessly and simplifies cleaning while naturally inhibiting mold and mildew growth. The Perago Range achieves an ideal harmony of aesthetics and functionality, with designs continually focused on enhancing the user experience.
